

AusNet Information Sharing Register

Date of Update: 30/06/2024

This register is maintained and made publicly available by AusNet in accordance with the Australian Energy Regulator's (**AER**) Ring-fencing Guideline Electricity Transmission Version 4.

The table below lists the Related Electricity Service Providers (**RESPs**) and other legal entities who have requested access to information identified in clause 4.2.3(a), that is, ring-fenced information that a Transmission Network Service Provider (**TNSP**) shares with a RESP or other legal entity, and a description of the kind of information requested.

Name of Related Electricity Service Provider / Other Entity	Description and details of Information requested	Date Information Supplied

If you have any questions about this Register please contact AusNet via ringfencing@ausnetservices.com.au
